code: 4472
capacity: 200 ml

line

Vit. U Reduction

line that reduces erythema, capillaries and rosacea

strengthening the walls of blood vessels • soothing inflammation • reduction of erythema

Vit. U Cream

Soothing and strengthening cream for sensitive skin with visible capillaries and prone to erythema. It contains an innovative complex of vitamin U and ambora, which soothes irritations and strengthens capillaries, protecting them from dilation. The base enriched with the highest quality argan, grape and rice bran oils strengthens the barrier protecting the skin against the adverse effects of external factors. The cream used on a daily basis brightens the skin, has moisturizing and soothing effect, and constitutes an ideal base for make-up.

code: 4468 | capacity: 200 ml
code: 4469 | capacity: 50 ml

Vit. U Stop Couperose Mask

Mask for the skin with visible capillaries and prone to rosacea. It contains a complex of vitamin U and ambora which soothes irritations and strengthens capillaries. Azelogyline brightens and reduces skin imperfections, while vegetable oils protect it from external factors.

code: SZ 4467 | capacity: 5 ml

Vit. U Stop Couperose Serum

Specialist serum recommended for professional care of skin prone to erythema, dilated and breaking capillaries and rosacea. It contains a unique complex of vitamin U and ambora, which soothes irritations, strengthens capillaries and reduces redness of the skin. Azelogyline effectively regulates the secretion of sebum, has antibacterial properties, reduces imperfections and brightens the skin. Arnica and horse chestnut extracts in combination with hyaluronic acid accelerate skin regeneration, seal capillaries and prevent telangiectasias. The formula based on 97.2% ingredients of natural origin allows for the introduction of the serum by manual massage and cosmetic equipment.

code: 4465 | capacity: 10 x 3 ml

I/U/J/MB/R

Vit. U Tonic

Tonic for the care of sensitive skin with dilated, breaking capillaries and prone to rosacea. It contains a unique complex of vitamin U and ambora, which in combination with arnica and horse chestnut extracts strengthens capillaries, soothes irritations and prevents redness of the skin. The formula based on 97.4% ingredients of natural origin restores the natural pH of the skin, leaving a feeling of hydration, refreshment and comfort.

code: 4463 | capacity: 500 ml
code: 4464 | capacity: 200 ml

Micellar Vit. U Lotion

A delicate face and eye make-up remover and cleanser for sensitive skin with dilated, breaking capillaries and a tendency to rosacea. Its mild formula, based on glycolipids and physiological pH, effectively cleanses without affecting the skin's protective barrier. The unique complex of vitamin U and ambora in combination with arnica and horse chestnut extracts soothes irritations, reduces the tendency to redness and restores skin comfort.

Vit. U Anti-Couperose Mask

Creamy mask that calms and reduces the visibility of erythema of couperose skin, prone to rosacea and telangiectasia. It contains a unique complex of vitamin U and ambora, which accelerates regeneration, reduces redness and brings relief to irritated skin. Azelogyline regulates the secretion of sebum and reduces the tendency to develop skin imperfections. The mask base rich in grape, argan and tsubaki oils smoothes the skin, strengthening its natural barrier against the adverse effects of external factors.

code: 4466 | capacity: 200 ml
