ABOUT US

We are a Polish manufacturer of furniture, including metal beds. All the furniture we produce is made in our manufacturing plant located in Sulistrowa.

In this catalog we present to you the metal beds we produce. In our offer we have several models that differ in dimensions. In addition, each model comes in a composition with several patterns of headrests and in many color versions.

Beds adapted to wooden mattress frames.

Experience

We make every effort to provide the highest quality products. All the products we manufacture undergo rigorous quality control. We meet ISO 9001, ISO 1090, ISO 3834 standards, which is confirmed by certificates.

OUR EXPERIENCE

Elektron has 7 years of market experience in manufacturing steel components and combining them with non-steel materials.

END-TO-END SERVICE

A comprehensive overview of the process, from initiation to completion.

PLANT & MACHINERY

We invest in experienced personnel, modern equipment and technology.

ORGANIZATION AND WORK CULTURE

We focus on high work organization to deliver quality products while minimizing unnecessary costs. Our goal is to offer our customers mutually beneficial cooperation.
