ABOUT US

Comprehensive manufacturing of projects based on customer concepts.

We are a company providing comprehensive services in metalworking. We offer a varied range of custom metal processing services, including the production of furniture, store display fixtures, and architectural products. We can become your trusted supplier for manufacturing services in the EU market.

Certificates

Elektron sp. z o.o. operates a quality management system certified to ISO 9001, ISO 1090 EXC3, and ISO 3834 standards, ensuring the delivery of high-quality services through efficient processes and procedures.

OUR EXPERIENCE

Elektron has 7 years of market experience in manufacturing steel components and combining them with non-steel materials.

END-TO-END SERVICE

A comprehensive overview of the process, from initiation to completion.

PLANT & MACHINERY

We invest in experienced personnel, modern equipment and technology.

ORGANIZATION AND WORK CULTURE

We focus on high work organization to deliver quality products while minimizing unnecessary costs. Our goal is to offer our customers mutually beneficial cooperation.

IMPORTANT INFORMATION

We specialize in manufacturing various kinds of metal products including Christmas decorations. In this catalog we would like to introduce the Christmas tree stands we produce. Included below are our standard products, but in case of demand, the products can be personalized.

- Metal Christmas tree stands of Polish production
- Highly reliable products with unique design
- Possibility of personalization of products
- Shipping throughout Europe

The Christmas tree stands we produce are made of powder-coated steel. This solution guarantees that the products will serve for years satisfying even the most demanding customer. Send your inquiry to receive a personalized offer.
