MARO Office Furniture

For 30 years, we have been making sure that office work is comfortable and ergonomic. Our furniture demonstrates our professionalism and love for what we do. We are passionate about creating exquisite and functional things and that translates into a quest for new solutions that turn concepts into products at a higher and higher level. Using innovative engineering solutions, we strive for ensuring that our products are top-notch. Our quality has been proved by ISO 9001 and Geprüfte Sicherheit certificates. This is possible thanks to our technology park, where world-class techniques come together under one roof. As a responsible producer, we wish to minimize our ecological footprint and expect the same from our suppliers.

Our Machinery Park guarantees top quality and precision. Thanks to the investments in new techniques and constant search for unconventional solutions, we thrive all the time. We are aware of how valuable the human factor is, therefore some elements of our furniture are hand-made. Gluing the carcasses of curved counters is a job where the human has an advantage over the machine. However, where surgical precision and repeatability in short time are necessary, we take advantage of the latest technique. Wood processing center drills, mills and processes the edges with utmost precision. The quality of our furniture is based on hundreds of trials and tests, thanks to which we are certain that we are second to none

Compact desks Wariant

Wariant to kolekcja mebli mobilnych, które pozwolą szybko zaaranżować przestrzeń biura w dowolny sposób. Kolekcja składa się z biurek z niską i wysoką zabudową, biurek kompaktowych, szafek przybiurkowych, szafek modułowych, ścianek mobilnych, miejsca spotkań, stojaka TV, pomocnika i garderoby mobilnej.

Biurka kompaktowe posiadają pneumatyczną lub elektryczną regulację wysokości z możliwością zamontowania blatu uchylnego. Szafy modułowe Wariant pozwalają zbudować mebel w pełni dostosowany do potrzeb użytkownika i wielokrotnie go przebudowywać. Mobilne ścianki działowe z tkaniną wygłuszającą można kupić w opcji z tablicą suchościeralną.

Mobilny stojak na telewizor służy do prezentacji i spotkań. Z drugiej strony znajdziemy tablicę suchościeralną - obracając stojak na telewizor możemy wygodnie z niej korzystać. Miejsce spotkań jest mobilną wersją stołu konferencyjnego, który można wykorzystać do pracy zespołowej lub indywidualnej. Meble na kółkach z hamulcem pozwalają w kilka minut zmienić układ biura w sposób najlepiej odpowiadający potrzebom zespołu.
