Products catalogue

Our company, **INV Poland**, specializes in contract manufacturing of dietary supplements. We produce **soft gelatin capsules**, **hard capsules**, and **tablets** tailored to meet our clients' needs.

Currently, we use the following sizes in our products:

Soft gelatin capsules

- **OVAL:** 2, 3, 5, 6, 10, 13
- **OBLONG:** 14, 16, 20, 26

Hard capsules

- **Size:** 0, 00, 1

However, we are fully capable of adjusting these sizes and implementing new formats in line with our clients' specific requirements and preferences.

On the following pages, you will find a presentation of our products. Please note that we are capable of modifying our formulations to meet the specific requirements of our clients, as well as implementing custom formulations provided by our customers in accordance with their needs.
